LOOKING AHEAD

Manufacturers across the globe are eager to share their advancements and new technology developed during these unprecedented times. We are bringing inspiration, innovation and education through experiential events, business networking and product discovery. Read on to learn why **INA PAACE Automechanika Mexico** is the ultimate platform to engage and inform key decision makers from all across the industry.

WHO EXHIBITS

Leading equipment suppliers across all sectors of the automotive aftermarket industry will be on hand to showcase their innovations to help buyers more rapidly, efficiently, safely, and successfully sell, repair and maintain the broad range of vehicles in the market. INA PAACE Automechanika Mexico is a proven, high-quality investment that yields exceptional value. Get ready to build brand awareness, generate leads, expand market share, and increase profits.

WHY MEXICO

The show is strategically located in Mexico City, the business heart of the country, with one fourth of the population living within a radius of 150 km. The most important automotive companies based in Mexico, manufacturers, importers, wholesalers or retailers, have corporate offices in Mexico City. Being the city with the largest vehicle population in the country, thousands of repair shops, service stations and all kind of automotive-related establishments are found here.

OUR VISITORS

GET MORE BRAND EXPOSURE

The premier platform for reaching the entire automotive parts and service supply chain in Latin America.

ESTABLISH YOUR POSITION AS AN INDUSTRY LEADER

As a complement to the exhibit floor and a significant draw for attendees, our comprehensive educational program provides invaluable training. With more than 13,000 participants, Automechanika Academy creates a unique and effective platform to connect with the broad range of automotive industry professionals seeking insight on the latest technology, trends and best practices to become more efficient and increase revenue.

Take advantage of the opportunity to train the market on your newest technologies, techniques and solutions.

GET MORE EXPOSURE IN THE INNOVATION ZONE

Submit your latest products, equipment and innovations into the INNOVATION SPOTLIGHT. Submissions will be judged by a panel of experts and awards presented during the show for optimum media coverage.

WE ARE BRINGING THE BUYERS TO YOU

A targeted, integrated approach will reach key buyers and bring quality attendance including wholesalers, distributors, repair shops, mechanics and retailers. See what we're doing to bring the buyers you want to see.

250,000 – Promotional exposure across the global Automechanika network
